

A wide-angle photograph of a rural landscape. In the foreground is a vast, lush green field. In the middle ground, there is a cluster of farm buildings, including a prominent blue silo with a white conveyor belt extending from its top. To the right of the silo are several green and blue sheds. In the background, there are rolling hills under a clear blue sky with a few wispy clouds.

Introduction

Large scale river frontage on 13 individual titles – grazing, cropping or horticulture opportunities

Spanning 1,849.76 acres* across 13 individual titles, including an impressive 544.47 acres* of prime Murray River frontage, 'Murrawong' presents a unique and versatile offering. Located just 18km from Murray Bridge and 88km from Adelaide, this property combines accessibility with rural charm, making it highly attractive to both agricultural investors and lifestyle buyers.

'Murrawong' features excellent improvements consisting of a solid 4-bedroom home, complimented by multiple sheds and well-maintained cattle yards. The property has been thoughtfully set up with strategic laneways to maximise efficiency and ease of access throughout the property.

The scale, strategic location, and versatility of this holding make it a standout opportunity in the region — whether you're looking to develop a productive farm, a tranquil lifestyle retreat, or a combination of both.

261 Murrawong Road, Burdett

Predominately alluvial soils on the river front. Sandy loams and clay loams across the higher ground

Exceptional stand-alone property. Long term opportunity and adaptations other than only rural grazing

Location

MURRAY BRIDGE

The rural city of Murray Bridge is located in South Australia, nestled along the banks of the Murray River, which serves as the lifeblood of the city and its surrounding areas. The population of the rural city has increased by 3.3% over the past 5 years.

Murray Bridge offers excellent shopping, sporting, and business facilities. Education needs are well catered for with primary and secondary schools, as well as kindergarten and childcare services within the township.

Medical facilities include a hospital, medical centre, ambulance service, dentist, chiropractor, and various other specialists.

Murray Bridge is among the fastest growing areas in South Australia with projections indicating it will become that states largest regional city.

Murray Bridge is focused on food production and processing with designated employment land zones and infrastructure to support residential expansion. The Rural City of Murray Bridge Council is investing in public infrastructure, fostering business growth and planning for future development to enhance community well-being.

The property '**Murrawong**' is conveniently located just 18 km northeast of Murray Bridge and 26 km south of Mannum.

Climate & Rainfall data: MURRAY BRIDGE summary of statistics – Bureau of Meteorology

Serious attention should be given to 'Murrawong' – it's location & number of titles presents a strong opportunity for future capital growth (STCA)

Property *overview*

SOILS

A large portion of Murrawong are alluvial soils on the river front. Sandy loams and red clay loams across the higher ground.

Pastures consist of rye grass, native grasses and barley.

STOCK WATER

Stock water is supplied via two bores, Electric pump to concrete tanks and troughs. All in good working order

FENCING

Fencing across the property consists of predominately pine posts, cyclone wire and single hot wire.

Fencing is all in good stock proof condition.

Laneway assists with ease of stock movement.

LIVESTOCK

Murrawong is run in conjunction with the Vendors properties in the South East of SA. Currently stocking Angus weaners.

The property has a status of JBAS8.

FERTILISER

In 2024 the Vendor applied between 60-70kg per hectare spread across the entire property.

Liquid Nitrogen was also applied on the river flats. Resulting in a strong pasture response.

Improvements

HOMESTEAD

Important *information*

This Information Memorandum has been prepared by Elders Rural Services Australia Limited ("Elders"). The purpose of the Information Memorandum is to provide the recipient ("Recipient") with general information concerning the properties the subject of the Information Memorandum ("Properties") to assist the Recipient in deciding whether to acquire them.

Conditions of Receiving the Information Memorandum:

This Information Memorandum supplied subject to the conditions outlined below. The acceptance of the Information Memorandum, by the Recipient and/or any participation by the Recipient in any aspect of the sale process evidences its acceptance of those conditions.

1. This Information Memorandum is confidential and must not be disclosed or distributed to other parties by the Recipient.
2. The information contained in this Information Memorandum does not purport to contain all the information that Recipients may require to evaluate whether or not to purchase the Properties. In addition, Elders and the Vendor (including all of their respective directors, partners, consultants and/or employees, related bodies corporate and the directors, shareholders, managers, employees or agents of any of

them) ("Information Providers") shall not be under any obligation to correct, update or revise the Information Memorandum, or any written or oral communications transmitted to the Recipient in the course of evaluating the Properties. This Information Memorandum is not to be considered as a recommendation by the information Providers that any Recipient acquire the Properties. Each Recipient should conduct and rely upon its own investigation and analysis and is advised to seek its own professional advice on the legal, financial, taxation and other consequences of acquiring the Properties.

3. The Information Providers make no representation or warranty express or implied, as to the accuracy, reliability, reasonableness or completeness of the contents of the Information Memorandum. All of the Information Providers expressly disclaim any and all liability (whether arising from negligence or otherwise) for, or based on, or relating to any such information (including any estimates of forward looking statements) contained in this Information Memorandum, or for any errors in or omissions from this Information Memorandum, or for any written or oral communications transmitted to the Recipient in the course of its evaluation of the opportunity, except for any liability which cannot be excluded as a matter of law.

4. The Information Providers reserve the right to provide further information to any person and will be under no obligation to treat all interested persons equally or provide the same information to the Recipient or any other recipients of this Information Memorandum.
5. This Information Memorandum does not constitute investment, accounting, financial, legal or tax advice.
6. The Vendor reserves the right to evaluate any offers, to reject any or all offers submitted and to deal with one party at the exclusion of others without giving reasons to the Recipient. The Information Providers will not be liable to compensate the Recipient or any intending acquirer for any costs or expenses incurred in inspecting, reviewing, investigating or analysing any information in relation to the Properties.
7. The photos contained in this document are supplied for information only and shall not be taken as a representation in any respect on the part of the vendor or its agent or the seasonal conditions. All areas and measurements are to be taken as a guide only.
